To Look-Up Providers for United Healthcare

www.uhc.com

- At the top right of the page click on "Find a Doctor"
- Under General Directory click the first line "Find a Physician, Hospital or Health Care Facility"
- Click on "Medical Directory" (unless looking for a Mental Health Provider)
- Click on the left box "All United Healthcare Plans"
- Use the down arrow to the 8th plan and Click on "Choice Plus"
- At the top of the page you can choose the zip code you would like to search in by clicking "Change Location"
- The next page allows you to choose what service you are looking for. To search a physician click on "People". A short description is under each available option.
- The next screen allows you to search by the type of physician you are looking for. You then click on that box. For this example, I am choosing "Primary Care" and on the next page, I am again choosing "Primary Care".
- The page will now show physicians in a 20-mile radius, of the chosen zip code. You can change the zip code or the search radius on the left side of the page. The box in the upper right side allows you to choose how you view the search results.
- At the bottom of the page, you will have the choice to "Print Results".
- To begin a new search go back to the top of the page and on the right you will see the "New Search" button.
