

Reflective Questioning/Walkthrough Observations

- 1. What are you doing differently this year to incorporate more MAP questioning into your daily/weekly lessons. Explain.**
- 2. What would you say as a teacher are the two biggest differences/changes that you have seen in our high school since your initial employment? Please explain.**
- 3. If you could make one statement to our staff to express yourself and your educational views/comments/concerns, what would that statement be?**
- 4. What one thing would you change about yourself if you could and what one thing would you change about me?**
- 5. How much more preparation time as a teacher does it require to teach the way you did today?**
- 6. What new instructional strategies are you incorporating into your classes this year? Please provide me any samples of lessons that you have already completed if possible.**
- 7. How do you incorporate reading and writing strategies into your subject area? Please provide examples of all 3 different types of writing—writing to learn, writing to demonstrate and learning/authentic writing. Please provide examples of how you are incorporating reading instructions including a pre-reading activity, a during reading activity and a post reading activity.**
