

ART II COURSE SYLLABUS

Course Description: Art II is an elective one-hour fine arts course. Students who satisfactorily complete this course will earn one Fine Art credit. The course curriculum includes studies in human anatomy, calligraphy, advanced figure drawing, portrait drawing, water color painting, pastel drawing, oil painting, mural design, relief printing, and commercial design.

Instructional Philosophy: Students will be given fun and challenging assignments that deal with advanced artistic concepts. Students will be shown advanced artistic concepts through lecture/discussion and a demonstration of techniques. Students will work independently on all projects and be able to demonstrate an understanding of the concepts studied.

Student assessment will be based on individual work, tests, quizzes, outside drawings (portfolios), written assignments, presentations, and student participation in class activities on a daily basis. Students will need to demonstrate knowledge of the basic artistic concepts studied by applying those concepts to the corresponding projects and tests.

Each student will be expected to complete 15 drawings outside of class each quarter. These drawings are worth 30% of the student's grade. The drawings will consist of: 6 landscapes, 4 portraits, 3 animals, and 2 still life. Tests and quizzes will account for 20% of the students grade and class participation and hands-on-work will account for the remaining 50% of a students grade. Extra credit is possible through demonstration of exceptional work only. Students should keep a record of all of their scores so they will know their grades at all times.

Course Goals:

1. Provide a challenge to the more talented art students.
2. Introduce advanced students to concepts and technologies that will sharpen their skills.
3. Help the student expand their knowledge of art and basic creativity.
4. Challenge the student's creativity.
5. Prepare the student for more advanced studies in art.

Major Course Assignments and Projects:

1. Calligraphy with Speedball Text – Students will demonstrate a knowledge of calligraphy by using lettering techniques to design posters and signs. Students will need to complete a 26 page booklet demonstrating mastery of different lettering techniques. Students will then complete a final poster project using some of those techniques.
2. Anatomy Drawings – Students will demonstrate a knowledge of the human body by drawing the human skeleton and muscular systems.
3. Full-Length Self-Portrait – Students will create a full-length self portrait.
4. Advanced Figure Drawing – Students will illustrate a knowledge of advanced figure drawing techniques.
5. Relief Printing – Students will demonstrate relief printing techniques.
6. Watercolor Painting – Students will demonstrate a knowledge of color, hue, value and tone in watercolor painting.

7. Oil Painting – Students will create original oil paintings in a variety of styles.
8. Commercial Design – Students will demonstrate a knowledge of design by creating original commercial art projects.
9. Pastel Drawing – Students will create pastel drawings using a variety of sketching and blending techniques. Students will be shown basic techniques and will demonstrate knowledge through both instructor led projects and individual projects.
10. Mural Design and Painting – Students will demonstrate a knowledge of mural painting techniques.

Assessment Plan:

- 30% Outside Drawings
- 70% Hands-on-work and student participation

Classroom Expectations:

Students should be in class and in their seat ready to work when the bell rings. If a student is not in their seat when the bell rings then a tardy will be given. The class is not dismissed until the teacher has dismissed it and students will remain in their seats until instructed to do otherwise. Students are not allowed to speak unless they raise their hands; other rules involving speech may change at the teachers' discretion. There are no food or drinks allowed in the classroom, and student found having food or drinks (gum, candy, soda, chips, etc.) will lose their participation points for that day and repeated abuses will result in a write up. Students who come to class unprepared will also lose their participation points for the day. Also, a lack of student effort on major projects (outside drawings, etc.) may also result in a write-up since the projects span a long period of time.

Supplies and Materials Needed:

1. 12x18 drawing tablet
2. 16 oz. Cookie can or Tupperware container (oil painting)
3. Cool whip bowls with lids
4. Pencils #2 and erasers.
5. Flair pens felt tip black ink (sharpies)
6. Notebook
7. Folder with pockets
8. Some type of professional portfolio (advanced students only)

Required/Recommended Readings: Students are recommended to read books on their own to aid them in the drawing process. A list of recommended books can be found on the instructors website listed below.
