

Mrs. Cunningham's Course Syllabus 2009-2010

Course Description: Students will utilize this class to receive the extra time and help needed to complete assignments and prepare for tests from their scheduled classes. In addition, the students will work on their goals that were addressed in their last IEP.

Instructional Philosophy: This course will help the students succeed in their classes by addressing organizational skills, time management skills, work skills, problem solving skills, and study skills.

Major Course Assignments: This will be based on each IEP student and their individual goals.

Major Course Assignments: Each student will fill out their planner, log the definition of the word of the day, work on an assignment, or study prepare for an upcoming test.

Assessments: This will be based on each IEP student and their individual goals.

Grading Scale: Each student will earn 5 points for filling out their planner, 5 points for logging the definition of the word of the day, and 10 points for working all hour. The students should earn 20 points per day.

Supplies and Materials Needed: 2 pencils, 2 black ink pens, 1 eraser, 1 small notebook, and 1 folder.

Come to class prepared.

Class Rules:

1. Come to class prepared.
2. Bring assignments to work on to class.
3. Be seated when the bell rings.
4. Work quietly.
5. Respect others and school property.

Time and Place to be Reached by Parents: You may reach me at the High School anytime during the day at 431-2616, extension 4135.
