Performance Evaluation

Certificated Personnel Performance Evaluation

The Board of Education's ultimate goal in education is to provide the highest quality educational experience to all District students. The District's performance-based evaluation system contributes to that goal by promoting the professional improvement of each staff member and, when necessary, by providing data to remove an employee whose employment is detrimental to students.

Performance-based evaluation is a process endorsed by the Board of Education for performance improvement that includes identification of performance expectations, documentation of performance, discussion of performance, development of improvement plans, and making personnel decisions based upon performance. The evaluation process for every employee is an on-going process that takes place every day. Formal, summative evaluations will be prepared and reviewed with each tenured teacher at least every other year. All other District employees will receive summative evaluations annually.
