**Policy 5660**  
**(Regulation 5660)**

### **Transportation**

#### **Field Trips**

The use of bus transportation services for field trips may be authorized from Board of Education appropriated funds budgeted for field trips if approved by the Superintendent/designee.

Transportation services may be provided for school-related activities provided the sponsoring organization pays the cost. The Superintendent/designee will approve such requests based upon the availability of buses and drivers.
