

Welcome to Central R-3 ParentLink

ParentLink is an internet-ready program that allows you, via your web browser, to access timely information about your student's progress at Central R-3 High School and Middle School. With a click of the mouse, you will have access to grades, attendance and other relevant information. New postings will be made every evening that school is in session at **6:00 p.m.**

1. To begin using ParentLink, you must first register by completing the registration form and returning it to the Counselor's Office at the campus at which your child attends. You will need to fill out a separate form for each child if you have children that attend both the HS and MS. For security reasons **Please remember to bring along a picture ID when you register.** Registration forms are available in the counselor's office and on-line at www.central3.org on both the district home page, and the high school and middle school pages.
2. Once your information has been entered into the system, within 48 hours you will be sent an e-mail containing all of your log-in information (user ID and password). If you enter multiple e-mail addresses on your registration form, an e-mail message will be sent to each address with its own specific log-in information. If you ever forget your ParentLink information, please go to the ParentLink web page and enter your e-mail address in the appropriate field to have your password automatically sent to you. If you do not receive your initial log-in information within 48 hours please phone Tamra Uding at 431-5442 for High School inquiries and Linda Politte at 431-4295 for Middle School information.
3. To access ParentLink, please visit the School District's website at [www. centralr3.org](http://www.central3.org) from either the district home page or high school page, or middle school page click "ParentLink Log-In." **Or** by using the URL www.sisparentlink.com/frhs Specific instructions for usage can be found in the ParentLink Users guide posted at www.central3.org on both the district home page and high school page.

Available Information

You will have access to the following information about your student.

1. **Course Schedule** displays the classes in which your student is currently enrolled.
