

STAR (error reading license info)

You must Re-Install Star reading

Delete the old shortcut to Star that does not work.
Go to My Computer and select:

West on 'R3_tree'(H:)

Then you will see the folders that you have rights to. Select STARDATA folder and inside you will see SETUP.exe file, double click on it to install star.

Take defaults and when it asks if you want to use the school-wide data path select YES! Then drag out the new shortcut it gives you for STAR or you can just right click on it and choose SEND TO Desktop(create shortcut).
