

Dear Parent(s): Unfortunately for Summer School, the state does not financially support providing transportation and due to funds not being provided, all routes offered are very limited and can only go to the specific sites listed. These sites have been selected trying to maximize overall student access, while yet keeping expenses reduced to a minimum. With the District left absorbing all expenses and no compensation provided, we unfortunately cannot run regular routes and/or add more site locations. We appreciate your understanding and cooperation in the matter.

2026 HIGH SCHOOL STOPS	AM-BUS#	TIME	PM-BUS#	TIME
